

# Chief Executive

## **HYELM - Old Street, London N1/ Hybrid Circa £95k + 7.5% Pension Contribution.**

We're a not-for-profit landlord making a positive impact on young people's lives for nearly 100 years, by addressing the shortage of affordable rented housing for those working in London. We're the only organisation in London that specifically offers accommodation to working young people, many of whom are key workers, in entry level employment who have no other means of support and are unable to stay within their family networks.

Our current flagship residence, HYELM-Old Street, opened in 2008 and provides 125 young workers who cannot afford to rent or buy properties through the private sector, with contemporary, secure, hassle-free accommodation.

We are currently actively seeking to develop further high-quality accommodation in London and through our ambitious plans for growth we expect to double the amount of young workers we can house in the foreseeable future.

We are now looking to appoint a Chief Executive who will relish the challenge of this exciting and rewarding role, working collaboratively with our small team of Trustees and staff to lead HYELM in this exciting next phase of its development.
